

Product Data Sheet

Product Code: DQ

Issued: September 4, 2001

Environment

SPLENDOUR conforms with all statutory environmental requirements. It is based on safe ingredients selected to perform efficiently so there is no waste or damage. SPLENDOUR is non-flammable, phosphate-free and biodegradable. Containers are recycled wherever possible.

Product Use

SPLENDOUR is a lightly perfumed, silicone and wax-based furniture polish which waxes, cleans and polishes in one easy spray-wipe application.

SPLENDOUR cleans and shines all vinyl, plastic, metal, water-resistant polished wood and ceramic surfaces found in the office and in the home – vinyl chairs, chrome trim, filing cabinets, counters, tables, polished wood furniture and so on.

SPLENDOUR is *not* for use on french polished timber surfaces.

Technical Data

Properties

COLOUR – Yellow opaque liquid
ODOUR – Perfumed fragrance
pH = 8.5 - 9.5
POLISH TYPE – Silicone and wax

Composition

Silicone polish compound and polyethylene waxes to provide a water-resistant, smear-proof gloss finish plus leveling agents, perfume and detergents for cleaning power.

Application

- Spray or wipe SPLENDOUR onto surfaces, then just wipe off and buff with a soft, clean cloth. This will leave the surface with a glossy and protective finish.

Agar Cleaning Systems maintains Material Safety Data Sheets (MSDS) on all of its products. These sheets contain information that you may need to protect your employees and customers against health or safety hazards associated with our product. Agar Cleaning Systems recommends that you obtain a copy of the respective MSDS sheet prior to using this product. The information in the Product Data Sheet is based on data we believe to be reliable. It is offered in good faith, but without guarantee, as conditions and methods of use of our product are beyond our control.
