

**Product Data Sheet**

Product Code: EN

Issued: September 4, 2001

## Environment

NOVADET conforms with all statutory environmental requirements. It is based on safe ingredients selected to perform efficiently so there is no waste or damage. NOVADET is non-flammable and non-caustic. NOVADET is biodegradable. Containers are recycled wherever possible.

## Main Benefits

- ✓ NOVADET is aggressive on dirt.
- ✓ NOVADET cleans fast and completely.
- ✓ NOVADET is low-alkaline and biodegradable.

## Product Use

NOVADET will remove all dirt and spillages including foodstuffs, drinks and cooking oils and general traffic dirt from floors and walls. NOVADET will clean waxed and polished floors, walls, glass, terrazzo, marble, slate and other surfaces needing a low-alkaline cleaner. Use by mop, sponge or autoscrubber. NOVADET is an excellent scrub-back detergent for polished floors when used at stronger concentrations.

### Action

This highly active cleaner with deodorant action suspends dirt and soil so it won't redeposit onto floor, does not need rinsing from floors, and will not harm alkali-sensitive finishes.

## Technical Data

### Properties

COLOUR – Transparent pink liquid  
ODOUR – Pleasant rose perfume  
pH =  $9.0 \pm 0.5$  (at use concentration)  
FOAM – Low to medium foam height, suitable for autoscrubbers, mopping and manual scrubbing

## Application

- **Heavy duty cleaning:**  
Use at 1 part NOVADET in 50 parts water. This is  $\frac{3}{4}$  cup per bucket of water, 1L per tank (small scrubber) or 2L per tank (large scrubber).
- **Light duty cleaning:**  
Use 1 part NOVADET in 100 parts water. This is  $\frac{1}{2}$  cup per bucket of water,  $\frac{1}{2}$ L per tank (small scrubber) or 1L per tank (large scrubber).
- For scrubbing back polished floors prior to re-coating, use 1 part NOVADET in 20 parts water and scrub with blue pads. Pick up and rinse with hot water.

Agar Cleaning Systems maintains Material Safety Data Sheets (MSDS) on all of its products. These sheets contain information that you may need to protect your employees and customers against health or safety hazards associated with our product. Agar Cleaning Systems recommends that you obtain a copy of the respective MSDS sheet prior to using this product. The information in the Product Data Sheet is based on data we believe to be reliable. It is offered in good faith, but without guarantee, as conditions and methods of use of our product are beyond our control.
